BINDING : Saddle-Stitched

PAPER STOCK : The paper used by Boutique Editions is a natural, recyclable product made from wood grown in sustainable forests. The manufacturing process conforms to the environmental regulations of the country of origin.

DIGITAL AD SUBMISSIONS

For all ads we recommend PDF files, please ensure documents are pre-press ready : PDF version 1.3. or higher. Files must be composite CMYK. Files must contain crop marks and must be centred in document. All files must be set up allowing for a minimum of 5mm bleed where required. No live matter should be placed within 10mm from trimmed edge. All resolution guidelines (as per settings) must be adhered to and in particular imagery should be 300dpi in the final PDF. Combined color ink density should not exceed 300%. All imagery is in CMYK ie. no RGB or LAB images. 4 color process work must have all Pantone colors and RGB/LAB images converted to CMYK prior to creating PDF as consistent color conversion on the RIPs cannot be guaranteed.
